

PIRATE

Robert Martin

PIRATE

James Bowie High School
Simms, Texas

As we are near the end of another year, we offer you the 1965 PIRATE. It is our hope that this pictorial resume will provide for you a permanent record of your many associations, both fellow students and teachers, and of the many activities that have transpired here at James Bowie School during the 1964-65 school year. We feel that by seeing within these pages school life as it actually happened, you will gain a deeper appreciation for your educational opportunities and will have treasures with values unlimited.

DEDICATION

We, the Pirate Staff of 1965, proudly dedicate this yearbook to Mr. Harlan Hall. During the five years that Coach Hall has been a member of the James Bowie teaching staff, he has taught us English and this past year he guided the James Bowie Pirates to one of the finest football records in the school's history. Besides being a good teacher and an excellent coach, he has been a true friend. His sense of humor has turned what possibly would have been a dreary day into a cheerful and worth-while experience.

We thank you, Coach Hall, for making a period in our education process a more meaningful and enjoyable time of our lives.

To the Students of James Bowie High School:

To you who are leaving, I wish you success in your hopes and aspirations. May you, as graduates, realize that we have helped you in some small measure on your way to becoming good, well-adjusted American adults.

To You who have not yet finished your High School education, may our future relationship be both pleasant and profitable.

May you all look back through the pages of this book and remember many fine and wonderful experiences that have been yours and ours.

Sincerely,

Carlton Brower

TAYLOR PUBLISHING COMPANY

"The World's Best Yearbooks Are Taylor-made"

Mr. Martin,

I've enjoyed having you for my science teacher last year and this year.

I guess sometimes you get mad at me for the grades I've made. And I'm ashamed of them myself. But you've taught me some science and I'm proud.

I guess that's all I can say now, but thank you for all you've done.

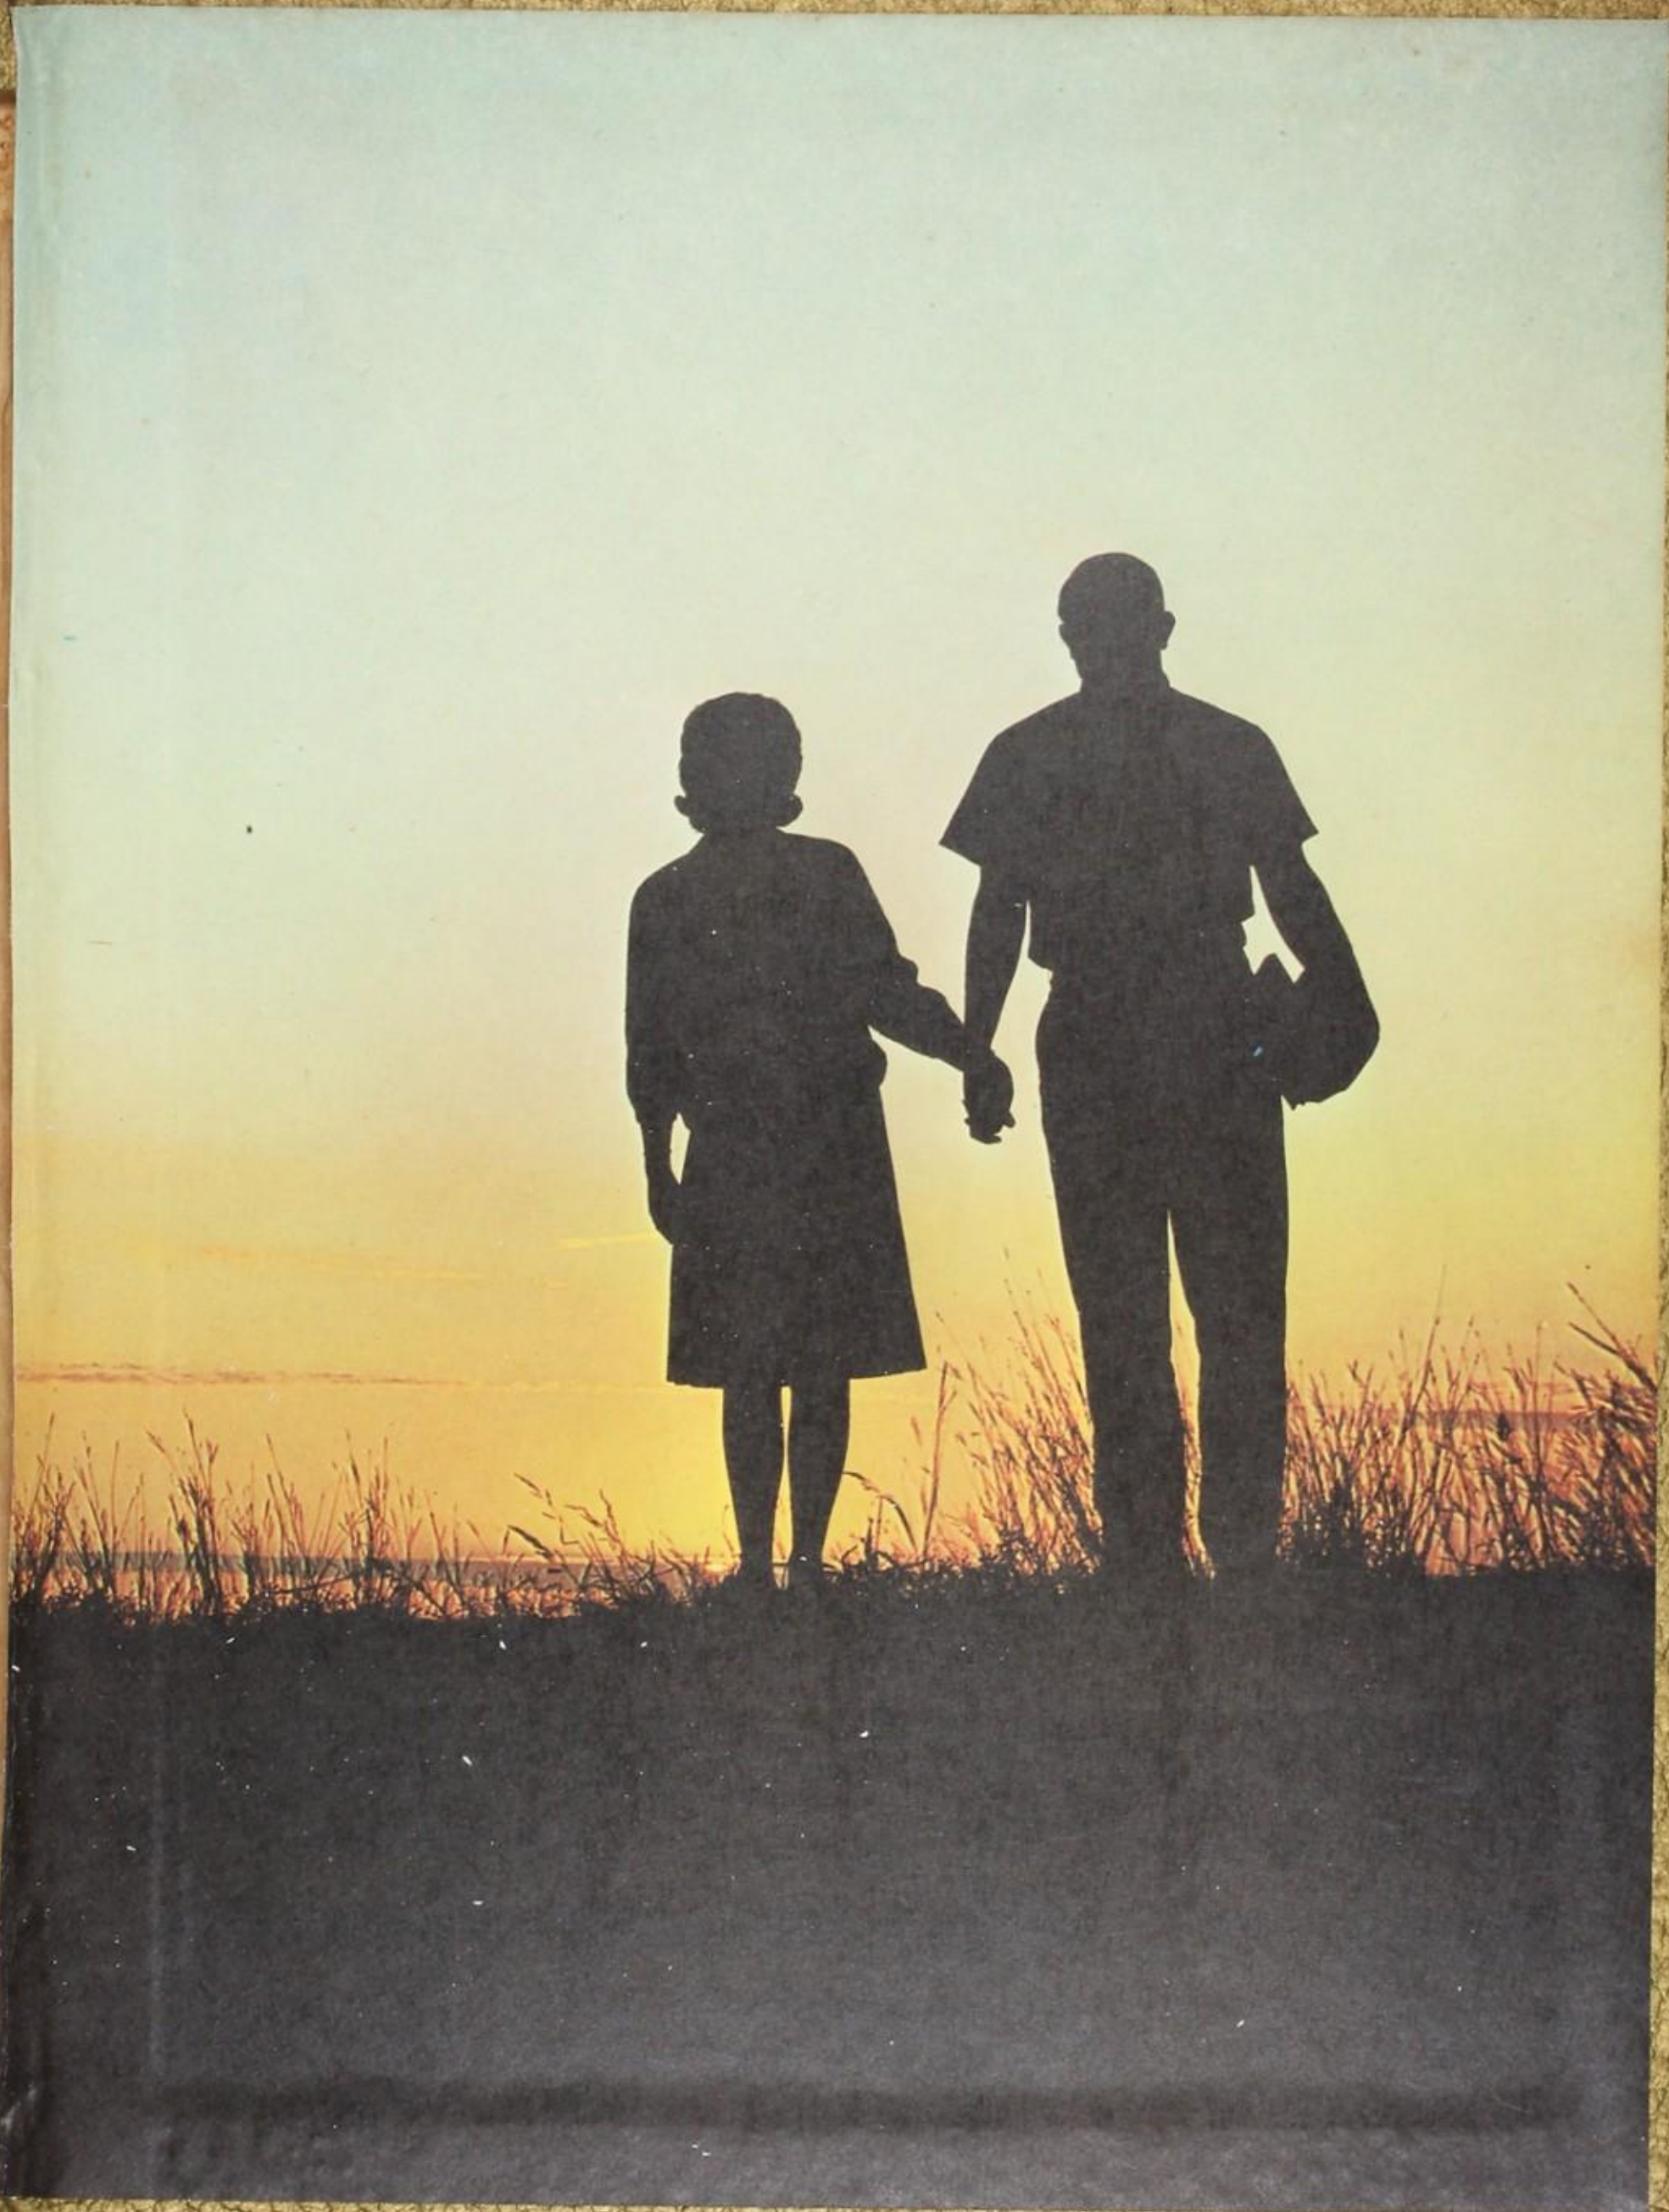

a student,
Mary Helen

Dear Mr. Martin
I guess I've caused you more trouble this year than 5 of us girls put together, but I didn't really mean to.
- In sort of ashamed of some of the things I've said about you this year. You've made me so mad then you've screamed. But you think you've helped me with one of my worst faults, and you know what that is without me telling you. I guess I better quit now. I just want to say thank you for all you've done for me.
Signed:
a very grateful student
Darrah

To a nice guy which I feel has given me
many grades. I have enjoyed being a
student in your class. I have had lots
of laughs with you and the other students.
Although I think that you show partiality,
I think you are still a real swell guy.
I am looking forward to having
you as a teacher ~~in~~ next year. Best of
Luck and May God Bless You.

Love,
Pamela
